

Online, On-Demand Professional Development Exclusively for IEA Members!

The Illinois Education Association is pleased to partner with 321 Insight to offer a series of on-demand professional development opportunities, FREE to IEA members.

REGISTER TODAY to create your 321 Insight account!

Access customized learning opportunities that feature bite-sized videos, collaborative Discussion Questions, and resources designed to support your role-based learning needs. All content is delivered through the 321 Insight platform, and is accessible anytime, anywhere, from any internet-connected device. Connect and collaborate with colleagues and learn strategies you, in your unique role, can implement right away to support your students!

Starting the Year Off Strong

You are an essential part of the educational team. In your role, you help students feel safe, ensure they feel a sense of belonging, and support them as they navigate these challenging times.

This module focuses on three key learning objectives:

- How to set clear boundaries with students that ensure students feel safe and supported
- Understanding the driving forces behind all behavior
- Learning proactive strategies you can implement to prevent challenging behavior

Future course topics include videos and resources focusing on:

- Avoiding Power Struggles with Students
- Developing Positive Relationships
- Teaching and Modeling Social and Emotional Skills
- Regulation Strategies for Students and Adults
- Educator Wellness
- Strategies for Managing Diverse Classrooms

We will continue to keep you informed about upcoming sessions topics throughout the year!

The first course is available now!

REGISTER TODAY to take advantage of this learning opportunity, exclusively for IEA members!
