Spring Regional Elections - Pages 12-14

## IS IT YOUR TURN TO REPRESENT OUR GREAT STATE?

**There's no time like the present** to seriously consider becoming a delegate to the National Education Association Representative Assembly (NEA RA).

The most important part of being a member of an association like the Illinois Education Association is the ability to have one's voice heard on a variety of issues that affect the working conditions of school employees and learning environments of students across this nation.

One of the most effective ways to accomplish this is to become a delegate to the NEA RA. This assembly is one of the largest democratically elected deliberative bodies in the world when it is seated, and the debates on educational issues are a true reflection of what each member experiences their community.

---

## To become a part of such an important, exciting and influential assembly, follow these steps:

- 1 Note the deadlines below for submitting required paperwork.
  - 2 Fill out the required forms on pages 4-6 of this issue and send them via certified mail, or any other delivery service in which a receipt is issued, to the IEA before the stated deadline or complete online forms available at [ieanea.org/about/elections](http://ieanea.org/about/elections).
  - 3 Notify your local president, region council chairperson and any other leaders in your area that you are running to be a delegate. Solicit their support and ask them to spread the word.
  - 4 If you are a minority, and we strongly encourage minorities to run, be sure to notify IEA minority caucus chairpersons so they can assist you in gathering votes across the state.
  - 5 Make sure you are aware of the issues that we face nationally and talk about your desire to influence the debate with all IEA members you encounter. Check the IEA ([ieanea.org](http://ieanea.org)) and NEA ([nea.org](http://nea.org)) websites for issues of importance.
  - 6 Make sure people in your local know you are running and that they VOTE when the time comes.
