SUBJECT: 2025-2026 Staffing Levels

DATE: March 19, 2025

Retirement: At this time, the district anticipates that a minimum of seven (7) teachers will retire at the end of the 2024-2025 school year. Whether or not the district replaces these teachers in the 2025-2026 school year will depend on student enrollment and District needs.

Probationary Teachers: At this time, there are fourteen (14) probationary teachers who will be issued notice of non-renewal at the end of the 2024-2025 school year. In addition, there are six (6) probationary teachers employed as permanent substitutes who will also be issued notice of non-renewal at the end of the 2024-2025 school year.

The administration will inform the probationary teachers of their non-renewal and present the resolution for dismissal to the Board at its regularly scheduled March 24, 2025, Board meeting.
