

CONSOLIDATED ELECTION: APRIL 1, 2025

EARLY VOTING: MARCH 7 - MARCH 31

Less than 18% of registered voters participated in the last Consolidated Election in 2023. That means only **1 out of 6 voters** decided how much you pay in taxes and who runs your local schools, cities, townships, fire, and police districts.

This is the election that **impacts your property taxes, schools, safety, and community services**. These decisions affect you and your family **every single day**.

Don't let a small minority make these critical choices for you—**be the difference!**
