

WHAT AN ACTIVE EdRising CHAPTER LOOKS LIKE.

Participants are high school or middle school students who are led by a teacher

The teacher leader and students are registered Educators Rising members

The chapter may or may not be part of an education class or EdRising curriculum

The EdRising IL chapter is a recognized CTSO in your district

Chapter meetings are held with students monthly, weekly, or during a class

Students serve in leadership positions as EdRising officers for your chapter

Students participate in activities, service projects, and statewide activities

Prepare and practice for State and National Competitions

Consider attending the annual state conference with or without competing

Determine if going to the annual national conference in June is a feasible goal

Be on the lookout for potential future state officers among chapter members

Renew teacher and student memberships annually after June 30th
